Bianca - May 19, 2010

★★★★★ **Great and friendly customer service** We engaged George to install blinds for us and recently to install blackout shades for our media room in Boca Raton, Florida. We are also considering using him for draperies in our living room, master bedroom, and media room. The pricing was not the least cost quote we received but certainly in the reasonable range. More importantly, George cares about his customers. (So does his crew.. they are so nice and polite) He is constantly in education mode wanting to make sure you understand all the options. He delivers service with a continuous smile and will spend as much time with you as you need to make sure you make the right decision. I hope the quote we are waiting for is what we are expecting so that George and his friendly installers can visit us again. Bianca from Boca
